

Please note that beautiful archival reproductions of the 1860 farm map, a portion of which is displayed below, are available for purchase by contacting the Holland Township clerk's office (908-995-4847). The map captures a significant snapshot of our local history, includes all of the current Holland and Alexandria Townships and makes a wonderful gift!

Maps are available from the Holland Twp. Historic Preservation Commission in two sizes:

Small 24" x 32" \$ 85.00

Large 36" x 50" \$195.00

There is a beautifully framed large copy on display in the Riegel Ridge Community Center.
