

ATTENTION RESIDENTS
Spotted Lantern Fly Information

The USDA has state and federal crews in the area that will be going from door to door dropping treatment agreements off for residents to sign. If you want treatment the USDA will need your permission.

For any additional questions residents are encouraged to call the state hotline on the flyer (NJ Spotted Lanternfly Hotline at 1-833-223-2840 (DABBUG0) or contact Tiffany Mauro, USDA-APHIS-PPQ (Pest Survey Specialist DE & NJ) at 609-259-5249.
