Holland Township Residents,

Holland Township Public Safety is currently and actively monitoring and tracking COVID-19. Our public safety staff and volunteers are dedicated to keeping our residents safe through all types of hazards.

In light of the state of emergency which was declared by Governor Murphy, the Riegel Ridge Community Center was closed to the public effective Saturday, March 14, 2020. This decision was taken after reviewing the guidelines and practices of the Centers for Disease Control and Prevention and the State Health Department. Our top priority is keeping our community safe while we closely monitor the situation.

We encourage you to visit the Centers for Disease Control and Prevention website www.cdc.gov/coronavirus which can provide you tips on how to protect yourself and what to do if you think you are sick. Additionally, we are asking residents to help us by checking on your family and friends that may be part of the at risk population.

As we all adjust to the new precautionary measures that everyone is taking to help prevent the spread of this virus, we want to reassure you that your safety and well-being continues to be our top priority.

Thank you for doing your part in helping our community a safer environment.

Respectfully,
