Vogel-

- All businesses in town have received letter from county regarding recycling
- Suggested all correspondence regarding the PennEast Pipeline should go through one Township representative. The consensus was that representative should be Mr. Vogel.

- Sewer letter that accompanied the 2015 sewer bills-advised that the letter was easily missed in the envelope—should have been sent out as separate mailing. May need another letter to go out after the Ordinance is adopted. Krov advised this letter was for info and didn't cost anything additional in postage. Roselle suggested use a colored piece of paper

Bush

• Department of Public Works and Buildings and Grounds doing a great job. Stated heavy snow is helping to knock down mailboxes during snow plowing. The Township has a policy in place where we will cover up to \$50 for replacement. Info is on the Township website.

- Attorney re-filed Township Committee Resolution with FERC and added the Highlands Resource Inventory
