Pursuant to P.L. 1975 c. 291 (N.J.S.A. 40:55D-1, *et seq.*), the Land Use Board, consisting of nine (9) members is hereby established. The Land Use Board shall exercise, to the same extent and subject to the same restrictions, all of the powers of a Planning Board and a Zoning Board of Adjustment as set forth in the Municipal Land Use Law (N.J.S.A. 40:55D-1, *et seq.*). All applications for development and all powers granted to the Planning Board and Zoning Board of Adjustment pursuant to N.J.S.A. 40:55D-1, *et seq.*, are hereby granted to the Land Use Board. - C. The terms of all Class IV members first appointed under this ordinance shall be so determined that to the greatest practicable extent, the expiration of such terms shall be distributed evenly over the first four years after their appointment, provided that the initial Class IV term of no member shall exceed four years. Thereafter, the Class IV term of each such member shall be four years.
- D. Alternate members shall serve for terms of two years; provided, however, that the initial terms of such members shall be for one and two years respectively.

- A. Meetings of the Land Use Board shall be scheduled no less often than once a month, and any meeting so scheduled shall be held as scheduled unless canceled for lack of applications for development to process. Special meetings may be provided for at the call of the Chairman or on the request of any two Board members, which shall be held on notice to its members and the public in accordance with all applicable legal requirements.
- B. No action shall be taken at any meeting without a quorum being present. All actions shall be by majority vote of a quorum except where a specified portion of the full authorized membership is required by statute. (N.J.S.A. 40:55D-34 and 55D-70d.)
- C. All regular meetings and all special meetings shall, as required by law, be open to the public. Notice of all such meetings shall be given in accordance with the requirements of the Open Public Meetings Law, Chapter 231 of the Laws of New Jersey 1975.

§ 100-130.4 Minutes.

Minutes of every regular or special meeting shall be kept and shall include the names of the persons appearing and addressing the Board and of the persons appearing by attorney, the action taken by the Board, the findings, if any, made by it and reasons therefor. The minutes shall thereafter be made available for public inspection during normal business hours at the office of the Municipal Clerk. Any interested party shall have the right to compel production of the minutes for use as evidence in any legal proceeding concerning the subject matter of such minutes. Such interested party may be charged a fee for reproduction of the minutes for his use as provided for in the rules of the Board.

§ 100-130.5 Hearings.

- D. Records. The Land Use Board shall provide for the verbatim recording of the proceedings by either stenographer, mechanical or electronic means. The Board shall furnish a transcript or duplicate recording in lieu thereof on request to any interested party at his expense.
- E. A member of the Land Use Board who was absent for one or more of the meetings at which a hearing was held shall be eligible to vote on the matter upon which the hearing was conducted, notwithstanding his absence from one or more of the meetings; provided, however, that such Board member has available to him the transcript or recording of all of the hearing from which he was absent and certifies in writing to the Board that he has read such transcript or listened to such recording.

§ 100-130.6 Certified list of owners.

Upon written request of an applicant, the Township Clerk, Tax Assessor or the Township Clerk's designee shall, within seven business days, make and certify a list from the current tax duplicates of the

Township of names and addresses of owners to whom the applicant is required to give notice pursuant to N.J.S.A. 40:55D-12b. A fee, as established in Chapter 83, Fees, shall be paid to the Township for such list.

§100-130.7 Powers.

The Land Use Board shall be governed by and shall have such powers as are conferred upon it by P.L. 1975, c. 291 (N.J.S.A. 40:55D-1 et seq.). More specifically, the Land Use Board shall have authority to:

- A. Prepare, adopt and from time to time amend or revise a Master Plan.
- B. Exercise control over the review of subdivisions and site plans in accordance with Article VI of this chapter.
- C. Exercise control over the granting of applications for conditional uses.
- D. Whenever the proposed development requires approval of a subdivision, site plan or conditional use (but not a variance pursuant to N.J.S.A. 40:55D-70d), grant to the same extent and subject to the same restrictions as the Land Use Board:
 - (1) By majority vote, a variance from the strict application of the zoning provisions of this chapter where, by reason of exceptional narrowness, shallowness or shape of a specific piece of property or by reason of exceptional topographic conditions or physical features uniquely affecting a specific piece of property or by reason of an extraordinary and exceptional situation uniquely affecting a specific piece of property or the structures lawfully existing thereon, the strict application of any regulation in the zoning provisions of this chapter would result in peculiar and exceptional practical difficulties to, or exceptional and undue hardship upon the developer of such property; where in an application or appeal relating to a specific piece of property, the purposes of the Municipal Land Use Law would be advanced by a deviation from the zoning provisions of this chapter and the benefits of the deviation would substantially outweigh any detriment. No variance under this Subsection D(1) shall be granted, however, from those departures enumerated in N.J.S.A. 49:55D-70d.
 - (2) Direction, pursuant to N.J.S.A. 40:55D-34, for issuance of a permit for a building or structure in the bed of a mapped street or public drainageway, flood control basin or public area reserved on an Official Map.
 - (3) Direction, pursuant to N.J.S.A. 40:55D-36, for issuance of a permit for a building or structure not related to a street.
- E. Exercise such other duties as may be assigned to it by ordinance or resolution of the governing body and perform such other functions as may be authorized by P.L. 1975, c. 291 (N.J.S.A. 40:55D-1, et seq.), and other state statutes and administrative regulations.

§ 100-130.8 Referral powers.

- A. Prior to the adoption of a development regulation or a revision or amendment thereto, the Land Use Board shall make and transmit to the governing body, within 35 days after referral, a report including recommendations concerning the proposed development regulation, revision or amendment. The governing body, when considering the adoption of a development regulation or a revision or amendment thereto, shall review the report of the Land Use Board and may disapprove or change any recommendation by a vote of a majority of its full authorized membership and shall record in its minutes the reasons for not following such recommendations. Failure of the Land Use Board to transmit its report within the thirty-five-day period provided herein shall relieve the governing body from the requirements of this subsection in regard to the proposed development regulation, revision or amendment thereto referred to the Land Use Board.
- B. The governing body may by ordinance provide for the reference of any matter or class of matters to the Land Use Board before final action thereon by a municipal body or municipal officer having final authority thereon. Such reference shall not extend the time for action by the referring body, whether or not the Land Use Board has submitted its report. Whenever the Land Use Board shall have made a recommendation regarding a matter authorized by this chapter to another municipal body, such recommendation may be rejected only by a majority of the full authorized membership of such other body.

§ 100-130.9 Time limits.

Whenever an application for approval of a subdivision plat, site plan or conditional use includes a request for relief pursuant to §100-130.1(D) of this chapter, the Land Use Board shall grant or deny approval of the application within 120 days after the submission by a developer of a complete application to the administrative officer or within such further time as may be consented to by the applicant. Failure of the Land Use Board to act within the period prescribed shall constitute approval of the application, and a certificate of the administrative officer as to the failure of the Land Use Board to act shall be issued on request of the applicant, and it shall be sufficient in lieu of the written endorsement or other evidence of approval herein required and shall be so accepted by the county recording officer for purposes of filing subdivision plats.

§ 100-130.10 Simultaneous review.

The Land Use Board shall have the power to review and approve or deny conditional uses or site plans simultaneously with review for subdivision approval without the developer being required to make further application to the Land Use Board or the Land Use Board being required to hold further hearings. The longest time period for action by the Land Use Board, whether it is for subdivision, conditional use or site plan approval, shall apply; except that where the developer elects to submit separate consecutive applications, the appropriate time periods prescribed by N.J.S.A. 40:55D-61 shall apply. Whenever approval of a conditional use is requested by the developer pursuant to this section, notice of the hearing on the plat shall include reference to the request for such conditional use.

§100-130.11 Referral to Environmental Commission.

Whenever an Environmental Commission has prepared and submitted to the Land Use Board an index of the natural resources of the municipality, the Land Use Board shall make available to the Environmental Commission an informational copy of every application for development submitted to the Land Use Board. Failure of the Land Use Board to make such informational copy available to the Environmental Commission shall not invalidate any hearing or proceedings.

§ 100-130.12 Review of capital projects.

Whenever the Land Use Board shall have adopted any portion of the Master Plan, the governing body or other public agency having jurisdiction over the subject matter, before taking action necessitating the expenditure of any public funds, incidental to the location, character or extent of such project, shall refer the action involving such specific project to the Land Use Board for review and recommendation in conjunction with such Master Plan and shall not act thereon without such recommendation or until 45 days have elapsed after such reference without receiving such recommendation. This requirement shall apply to action by a housing, parking, highway, special district or other authority, redevelopment agency, school board or other similar public agency, state, county or municipal.

SECTION 6. Chapter 100, Article XIX of the Code of the Township of Holland is hereby amended to delete Section 100-131 and to insert in its place the following:

The Township Committee believes that a fair and reasonable balance to be struck between its responsibilities to the general taxpayers and its need to recognize the sacrifices made by totally disabled veterans is accomplished by providing that totally disabled veterans will receive a refund of local property taxes from the date the veteran is declared 100% permanently and totally disabled, within the current tax year, and submits to the Tax Assessor a fully qualifying application for exemption from local property taxes on the veteran's dwelling pursuant to N.J.S.A. 54:4-3.30-34.

2. In the case of Craig M. Cole, he is declared exempt from local property taxes on his dwelling commencing November 4, 2021 and the Chief Financial Officer is authorized to refund him \$1,360.41 of local property taxes paid from November 4, 2021 through December 31, 2021 and the Tax Collector forgives the remaining taxes owed for tax year 2022.

3. The Township Committee will apply this policy to any future veterans seeking totally exempt status, but reserves the right to amend and alter it based on the future financial condition of the municipality.
