3. Zoning District: _____ Block: _____ Lot: _____

4. Name & Address of owner where sign will be erected: _____

5. Type of proposed sign: () Standing Sign () Portable Signs () Banner

6. Purpose of Sign: _____

APPLICATION IS HEREBY MADE TO PLACE A SIGN IN CONFORMITY WITH THE
TOWNSHIP OF HOLLAND SIGN ORDINANCE SECTION 100-112.1A

§ 100-112.1A Temporary signs.

In addition to other signs permitted in this Part 1, one sign shall be permitted on any lot within the Township, except [i] on any lot which is vacant or unimproved, [ii] anywhere within the MFR Multifamily Residential District, [iii] anywhere within the PCD/PSV Planned Commercial Development/Planned Senior Village District, or [iv] on any lot which is not principally used for residential purposes in the IND Limited Industrial Park District, in accordance with the following requirements:

A. The sign shall:

[i] advertise or give notice of a temporary event (such as a performance or fund raising event) conducted by a non-profit association or group, in which case it shall not exceed 12 square feet in area per side with no more than two sides and shall be not over 4 feet in height. Such a sign may remain in place for not exceeding 14 consecutive days no more than 3 of which days shall occur after the temporary event, whereupon it shall be removed by the owner or occupant of the lot; or

[ii] advertise the business performing a service [such as lawn care or construction or repair] on the lot on which the sign is located; provided that such business shall not be one owned or partly owned by an owner or occupant of the lot on which the sign is located. Such sign shall not exceed 4 square feet in area per side with no more than two sides and shall be not over 4 feet in height. Such a sign may remain in place for not exceeding 7 consecutive days, at least one of which shall be a day when such service is actually being performed on the lot, whereupon it shall be removed by the owner or occupant of the lot; or

[iii] advertise a yard or garage sale conducted on the lot on which the sign is located, in which case it shall not exceed 4 square feet in area per side with no more than two sides and shall be not over 4 feet in height. Such a sign may remain in place no longer than a 48 consecutive hour period which shall include the time period when such sale is conducted, whereupon it shall be removed by the owner or occupant of the lot

- B. The sign shall not be of a type (such as a "for sale" sign) permitted for the lot under other provisions of this Part 1.
- C. The sign shall not be lighted or have any moving parts and shall not be placed so as to interfere with traffic safety.

SECTION TWO: Subsection D. of Section 100-112.1 [Temporary Signs] is amended to read as follows:

D. A sign permit shall be obtained from the Zoning Officer prior to the placing of any temporary sign permitted by this Section 100-112.1, except that no permit shall be required as to a sign permitted by Section 100-112.1 A. [iii].

I certify that I have read the foregoing application and certify that the answers are true.
